Сборник включает в себя наряду с популярными народными песнями обработки народных мелодий и романсов, которые никогда ранее не аранжировались для гитары.

Автор большинства обработок — талантливый русский гитарист, педагог, композитор, писатель Евгений Тепляков, живущий сейчас в Ташкенте. Его перу принадлежит множество оригинальных сочинений: «4 сонатины», «Сюита», «Танцы на кухне», цикл «Русские наигрыши», «4 сюиты», «12 вальсов», а также обработок классики, среди которых виолончельные, скрипичные, клавирные сочинения И.-С. Баха.

Старинный русский романс «Гори, гори, моя звезда» представлен в обработке Павла Иванникова, имя которого хорошо известно любителям классической гитарной музыки. Дуэт братьев Иванниковых побывал с концертами в разных уголках нашей страны, был организатором ряда гитарных фестивалей, в том числе и международных.

В данном сборнике представлены обработки разной степени сложности, которые будут полезны как учащимся музыкальных школ и училищ, так и студентам консерваторий. Они могут быть использованы для педагогической и концертной работы, а также для домашнего музицирования.
